GYMNASTICS CAMP REGISTRATION AND INFORMATION

Until summer, the best time to register for our summer camp program is from Monday to Friday between 1:30 pm - 7 pm. If you don't see anyone in the office when you come by, please go inside the gym and ask to speak to either Breanna, Mary, Gord or Jen. **If you have any questions regarding summer camp call (519)-421-0953 and ask for either Breanna, Mary, Gord or Jen.**

Post-date your registration cheque (or cheques) for the Monday of each week that you wish your gymnast to attend.

If you pay cash or do not post-date your cheque, and your gymnast is not able to attend the week they have registered for; prior to 2 pm Friday of the previous registered week, there will be a \$50 Administrative Charge applied to the refund cheque. A summer camp receipt for each gymnast will be mailed around the end of October.

Full payment must be in the form of either cheque or cash at the time of registration.

Your gymnast's registration will only be processed once we receive your completed registration form and summer camp payment. We do not accept credit or debit cards. No phone registrations are accepted.

A \$50.00 Administrative Charge is applied to each N.S.F. cheque returned to the club.

Refunds will not be issued for gym closures due to storms, power outages, outbreaks, floods or other unforeseen circumstances.

Registrations are taken during the summer for weeks that still remain available. A number of weeks always fill up quickly.

During the summer: On Friday of each week, if there still is availability, registrations for the following week will only be taken until 2 pm. The 2 pm Friday deadline will not be extended for any reason or circumstance.

Summer camp fees are only on a per-week basis. No partial week registrations permitted.

No make-up classes. No partial week refunds are given for the summer gymnastics camp program.

The gymnasts remain in the facility and are supervised at all times. The gym club is air conditioned.

Summer camp gymnasts must be able to not be with their parent during the summer camp program hours, including snack and activity time. Parents are always able to view their child from the club's viewing windows for as long as they like. The gymnastic club's windows are always available for viewing at any time.

If you have two gymnasts and you want them to be together in the same group, the oldest gymnast is grouped with the youngest gymnast's age group. All the gymnasts are in the gym area, so if they are both not in the same group, they will still be able to see each other while they are at gymnastics camp.

Early Drop-Off, Lunch Supervision and Late Pick-Up are currently free services which are being provided for parents who need to use these services during their gymnast's summer camp week. These extra services are only an option for the week your gymnast is attending the program, and for parents/guardians that require it due to their daily schedule, and it is provided at the gymnastics club.

All gymnasts must be picked up at the club no later than 5:15 pm.

No requests for a particular coach are accepted.

SUMMER GYMNASTICS CAMP PROGRAM

This summer camp program is for gymnastics for girls and boys, and runs in the morning and afternoon (by the week).

The maximum class size is 7 gymnasts per instructor for 4 years of age to 17 years of age.

The gymnast must be 4 years of age by their first day of camp.

In the summer camp program, certain weeks may have both girls and boys in the same group. The grouping depends on registrations for each particular week time period.

The groups will be set up internally the same way as they were last year. We know the gymnasts who have been in our competitive and pre-competitive programs, and this will be taken into consideration when the groups are set up each week.

Each mid-morning and mid-afternoon there is a 15 minute snack break.

There is an optional 30 minutes per half day for either an activity/game or extra conditioning, flexibility and basics. On the first day of the week each gymnast will tell us if they want to do the activity/game option or the extra conditioning, flexibility and basics option, for that entire week. The choice each gymnast makes on the first day of summer camp is for the entire week. Gymnasts are not allowed to change their choice partway through the week for any reason or circumstance.

All the summer camp gymnasts practice for the Friday show. Each day during the camp there will be 15 minutes for show routine practice.
